**Classroom II**

**12:20- 12:50pm**

**Lunch**

**12:50- 1:00pm**

**Warm-Up**

Our curriculum is led by an accredited school, Orion Academy, offering a comprehensive virtual education program for our student-athletes.

During the daily educational classroom, your child will benefit from the guidance of an on-site teacher at the gymnasium, who will assist with their coursework and online classes.

This program ensures that students receive quality education while pursuing their athletic passions, seamlessly integrating academic and athletic excellence.
